POLICY SECTION 1013: Public Secondary School Tuition Agreement

POLICY

The Ahkwesahsne Mohawk Board of Education believes that our students should have access to a wide range of educational opportunities for their secondary school education (Grades 9 – 12), including Public Schools that offer specialized programs leading to the Ontario Secondary School Diploma (OSSD) or its equivalent. Therefore, the Board will review requests from Non AMBE parents for their children to attend public Non Tuition Agreement secondary schools (Grades 9 – 12) and may provide tuition assistance, the amount not to exceed the rate paid under the most current Education Service Agreements.

GUIDELINES

1. A student who transfers from a Non AMBE school must be on the nominal roll for one school year before fall funding can be accessed for tuition.

2. Funding is received in April therefore tuition will only be covered from April to June for the initial transfer year.

3. Funding will only be considered if the program is not available in a partnered secondary school.

4. Consideration can be given to a student who previously attended an AMBE school for a period of 5 years or more to access funding within the current school year.
