

AHKWESÀHSNE MOHAWK BOARD OF EDUCATION

le thi ha hon:nien - We make the road for them

December 21, 2020

Greetings,

On behalf of the Ahkwesàhsne Mohawk Board of Education, I wish everyone a safe and restful holiday. This year has been very unique and our holiday celebrations will also be very different. While we understand the need to reach out to extended family and friends, please do so with health and safety in mind. The announcements of vaccines will eventually bring some change and relief to many families who have been very isolated, however we will need to continue to follow safe protocols, such as mask wearing, distancing, hand washing, and remaining home when ill.

AMBE is hoping to restart the hybrid model on January 18, 2021 and we need your support to ensure community Covid19 case numbers remain low by continuing to follow community health directives. We are looking forward to seeing everyone in the New Year.

Have a safe and happy holiday,

Donna Wahienha:wi Lahache
Director of Education

Happy Holidays!
